

OCTOBER NEWS AND CALENDARS!

We are so excited about our new season of Dance! We have added a Musical Theatre program, which is very popular with the Dancers, taught by Mr. Dewayne Barrett, who has returned to Dan & Company after many years of dancing and choreographing around the world. His classes are very exciting and we welcome him back. To insure your Dancer's maximum progress, students are placed in classes by the teachers according to ability and technique, not age. Please respect our professional evaluations on this and try to adjust. *Please read through the following information and dates and mark your calendars!*
